Vast Oil & Gas Deposits Under Indigenous Palestinian Borders Have Sparked Our Zionazi Command To Accelerate The Scheduled Final Solution Phase Of Our Too Long Al Nakba Project. The New False Flag Date Will Be 15 Days From Now On October 7.

The Last Year Our People In HAMAS Have Been Training A Few False Flag Teams With Wire Cutters And Small Arms (Fences Will Be Disarmed And IDF Stood Down) To Break Out And Grab As Many Hostages As They Can, Then Smash Them In Designated Safe Areas For Cease Fire Trade Pageants. Then IDF Will Rain Enough Hannibal HellFire on Israelis To Claim Oct 7 Anti-Semite Genocide Instead Of The Anti-Semite Semite Familicide If Really Is...

After A Few Days Anti-Semite Bait, Then The Final Exterminate. From The River To The Sea. No Food. No Water. No Fuel. No Meds. No Hospitals. No Electricity. We'll Tell Them All Where To Flee, Then Bomb Them To Eternity, And When The Smoke And Palestinians Are Gone, We'll Nuke A Canal Called Ben-Gurion, Then We'll Nuke The Suez And Iran, Into South Oblivistan...

All The Drilling & Extraction Contracts Have Been Completed And They Should Be Queing Equipment & Crews In Some Out Of Sight Areas, Waiting For Our 'Come On In' Signal Which We Expect To Happen In The First Half Of 2024...

Thou Shalt Not Slaughter Your Neighbors Nor Ethnically Cleanse Them Into Homeless Refugees In Sinai Tent Cities Just Because You Covet Their Indigenous Gas Deposits Or So You Can Save A Few Shekels Cutting Across Their Indigenous Land To Build Your Ben-Gurion Canal Wet Dreams For The Most Evil Empire.
