

PlanDemonium

This Intentional Global Atrocity has created an Extremely Visceral and Virulent, incredibly CREDIBLE, Global Terror of Impending Doom... The US DOD_{et al} has just made a buy of 600M Warp Speed Mass Injectors, equipped for implanting spy hardware along with its Killshot mRNA/DNA Altering, Untested, Military-Police Forced Delivery, so called QUAXINES.

Bill Moloch Gates_{et al}, the Prime Planner, Doer & Backer of this Global Outrage, has Enthusiastically Confessed his mega-Genocidal Intent to Exterminate 50M US residents by way of his NO CONSENT Quaxines, Equally Deadly Phonyceuticals, After Birth Abortion Factories, and Death Panels, where 1 early Exterminated old guy will Rent 10 Teachers for the time it takes to depreciate the alleged Medical Cost Savings, at which time they'll Apply for more... For Basic Education, Children will 'Cash In' Grandparents, for College, their Parents. The Residual 281M will be enthralled into a Martial Medicaid Plan to Profitize the Quax-Pharma Cartel

Hardest hit will be the Elders who CAN'T get any Alleged Quaxine benefit, but if Quaxed regardless, will face near Certain Extermination by Grand Mal Quaxinosis... Deadly Side Effects

Gates_{et al} will Reap 1.14B more from GC to hit his 1st tier 15% Intent - then he'll ramp up to Warp Drive to hit Final Solution 99% Leaving THE .0001% + Slaves

Every Instance of these AGGRAVATED ASSAULTS & BATTERIES is a Heinous WILLFUL MISCONDUCT, With Genocidal Malice Aforethought, and is thus: VOID AB INITIO and carries NO INDEMNITY NOR CAUSE OF ACTION BLOCKS...

Every Collaborator is Personally Culpable for their Negligent and Willful Crash of the Global Community. Most Collaborators can also add Culpable Malpractice to their Karmic Consequence And Karma Be Praised, Every Perpetrator meets Every Test as a DOMESTIC TERRORIST (Patriot Act)

Microbial Metropolis: Global Community Immunity (GCI)
GCI's Wildfire Nature allows Quaxters to delude people with Very Scary, Pseudo-Plausible Tales of Microbial Apocalypso, "Unless You OBEY and DIE"

You can Squelch that by looking at the Astounding GCI results (below)
Evidence: A Virus mutates when the GCI of a particular community figures how to slow or stop its replication. Via Quantum Wildfire Wire, the Key is passed to the entire GCI and that virus version is moot (Lowest-Risk)

Covid19 is said to have mutated 100s times in 7 mo - possibly to extinction...

The EYES Have It

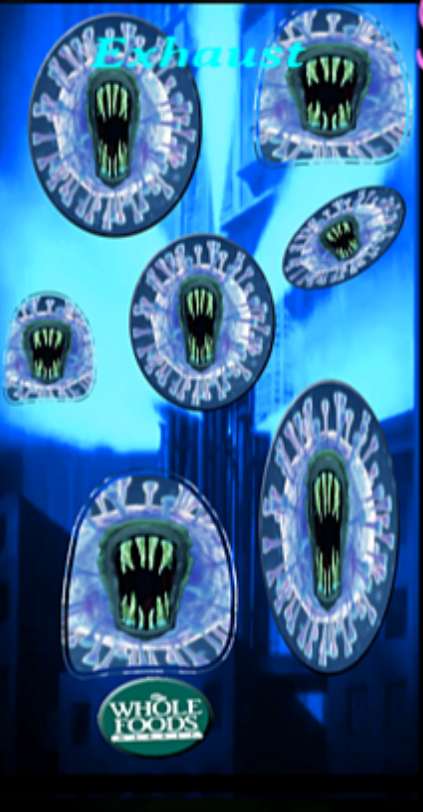

Mask-Hysteria

- EYES - viral path to brain - 100% EXPOSURE
- Headaches - resolved with medication
- Hypercapnia - excess CO₂
- Hypoxia - low O₂
- Lowers Immunity CD4+ T-lymphocyte - Tregs
- Increases Spreading Cancers
- Increases Inflammation
- Increases Heart Attack & Stroke
- Viral Concentrations = Cytokine Storms

CDC_{et al} Take ACETAMINOPHEN* To Help You Feel Better...

- * Gives you and/or your embryo/child:
 - Nausea,
 - Rash,
 - Headache,
 - Anaphylaxis Shock,
 - Kidney Damage,
 - Anemia,
 - Liver Failure,
 - ADHD,
 - Autism Spectrum...

Shutdowns, Lockdowns, Closures

DUE PROCESS requires duration and conditions of Preventative Detention measures be Reasonable in Relation to their Alleged Purpose: PREVENT EXPOSURE YOU CAN'T UN-EXPOSE THE 100% ALREADY EXPOSED A FACT KNOWN BY EVERY QUAXINE / BIOWEAPON EXPERT
