Hebrew Military Apartheid Campaign Of Terror & Annihilation

NAKBA 1947 - 2024... 77++ Years of Palestinian Holocaust Horror

1947-1966 615+ Ancient Villages & Towns Were Ethnically Cleansed by Terrorists:
Irgun, (UK-£)Hagana, Stern Gangs & Jewish Settlement Force run by ben-Gurion
including Massacres, Raping, Looting and Pillaging where 15,000 were Killed
and 800,000 (2/3) the population) were Expelled to Refugee Camps. Then the
Hebrew Settlers came swarming in like Locusts, Killing, Beating and Stealing
Palestinian's Homes and Destroying Their Ancient Gardens & Farms,
driving survivors into refugee camps. Refugees trying to return Home
were (and still are now) exterminated with extreme prejudice.

1967 NAKSA After the 6 Day Unprovoked Slaughter in Egypt & Syria, the Hebrews Expelled 430,000
more Refugees and set up Military Concentration Camps in the Occupied Palestinian
West Bank, East Jerusalem and Gaza Strip, and the Syrian Golan Heights, and Egyptian
Sinai Peninsula & Ethnic Cleansed Jerusalem. The Locusts swarmed in again but they
had to set Hebrew Only Areas to keep them safe from the "inferior" indigenous races
Suffering and Dying behind the walls.

We're juicing up the West Bank Op and
as soon as they start starving we expect
most to take our 'Free Trip to Elsewhere.'

We gave Trump a Big Bribe so he'll
illegally Annex West Bank to Israel like
he illegally moved the US Embassy to
Jerusalem, then the settler gangs can
genocide the rest of W-B indigenous.

We 'need' the 2000lb bunker busters and

Absolute Proof Of Jewish+US Genocide!

MOTIVE: Jewish+US Middle East Supremacy

Likud: Between the Sea and the Jordan there will only be Israeli Sovereignty.

US: There'll Be No Red Lines On Aiding Israel's Mass Palestinian Genocide.

In 2021 Israel announced it'd be changing its Battle Operations to exclusive AI Warfare fought with AI
Warfare, based on several High Tech AI Targeting & Extermination Systems (Lavender, Gospel,
Where's Daddy & Project Nimbus) which can produce 100 High Precision, High Confidence Targets a
Day that specify the Target's Identity and/or Location and which Units and what Weapons are deployed,
Battle Tactics, and very good estimates of consequential damages including infrastructure and number of
expected civilian deaths, injuries & displacements... Each one of these Targets produced (ie. Palestinian
Journalist, UNRWA Worker, Hospital...) is passed to a Human who decides whether to exterminate or
Hold (due to shortage of Resources etc) Either way it's an Absolute, Intention to Commit Genocide or an
actual Commission of Genocide, both of which are Acts of Genocide. The most Demonic, Heinous, AI
Abomination is 'Where's Daddy' which tracks the Targets until they're with their Family, then Exterminates
the whole Family. All Inventors, Owners and Users of these AI systems should spend the rest of their
disgusting lives in Prison... and Eternity in Hell when they expire.

The Most Brazen, Genocidal Act of Perjury Ever To Threaten The Existence Of Life On Earth!

The State of Israel will... foster the development of the country for the benefit of all its
inhabitants; it will be based on freedom, justice and peace... it will ensure complete
equality of social and political rights to all its inhabitants irrespective of religion, race
or sex; it will guarantee freedom of religion, conscience, language, education and culture;
it will safeguard the Holy Places of all religions; and it will be faithful to the principles of the
Charter of the United Nations.

This 'Supremely Bogus 'Pledge' Was Proffered To The UN Assembly Long After The
Nakba Had Been Savaging The Indigenous Peoples of Biblical Palestine, And The Nakba
Negated Every Word And Concept Therein. The 2 State Solution (Prop 181) Was
Vetoed By The US and since, every Israeli Genocidal Act has likewise been Absolved By the US
'Get Out Of Genocide Free Card' The 187 Neutered Members Need To Abolish the "Five State

Absolute Utter Abolition Of The ill-Begotten Soziopathic Atrociotic Pseudo-state : israel!

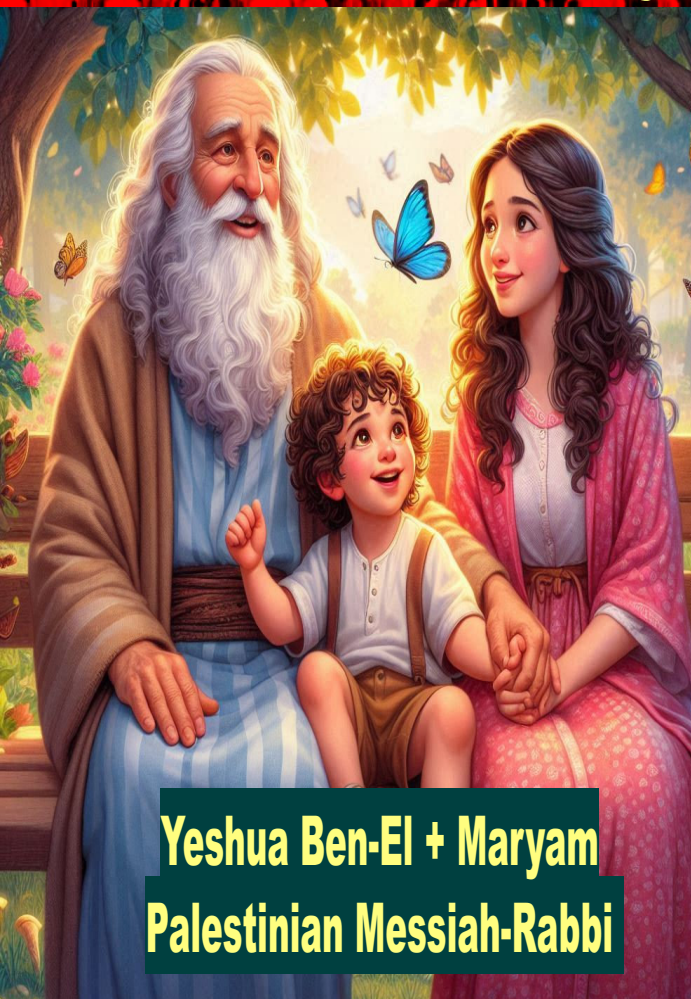

JUSTICE: Declare israel Heinous, Genocidal, Null & Void; Simultaneously; Cut Off All Israeli Escape Routes & Means; Turn Off (Don't Destroy) All Security Fences And
Weapons Around Occupied Palestine; Clear All Border Blockades; Immediately Bring In Humanitarian Aid To Bring Palestinians Back From The Brink of Extermination,
Including Food, Water, Fuel, Electricity, Internet, Medicine, Doctors + Med Teams, (Use Israel Hospitals); Release the Thousands of Palestinian Prisoners From All Detention
Facilities and Take Their Sworn Testimony As To Torture, Rapes, and any Other War-Anti Human Crimes Committed and Who Did Them and/or Allowed Them; Free All
Israeli Conscientious Objectors; Shut Down All IDF + IAF + Nuclear + Foreign (War Operations or Maintenance) Facilities and Jail all Personnel and Confiscate All their Assets
into Palestine Trust; PERMANENTLY DESTROY ALL WEAPONS AND AMMUNITION, Including Satellite Guidance & Targeting Systems, AI Targeting & Extermination
Systems (After Extracting the Genocide Specs as discussed above), Military Landcraft, Aircraft, Watercraft, Submarines, Nuke Weapons Plants, Chem/Weapons (like White
Phosphorous Rockets killing & maiming Lebanese Civilians), Bio/Weapons (like C-19 Quaxines killing & maiming Israeli Population), Israeli Settler Gang's Weapons... In
Short, Every Weapon that'd Allow Israel to kill or maim even 1 more Human... Revert Palestine Borders back to Pre 1900 CE Specifications and Restore Palestine City,
Town & Village Nomenclature and Delete 'off the map' any israel Changes or Inventions; Transfer Ownership and Proceeds of any israel Contracts to extract Palestine
Natural Resources (Oil, Gas etc) into Palestine Trust; Arrest, Disarm & Jail All israel Government Electorate, Employees & Contractors into High Security israel Facilities)
and General Population (Unless They're Implicitly & Explicitly Anti-Zionazi, Anti-War, Anti-Genocide & Pro-Palestine), and Confiscate All their Assets into Palestine Trust;
Confiscate All israel Government Assets (Including Foreign Aid) into Palestine Trust; As alluded above, the UN ICJ is way too much like the Supremely Fucked Up
Nuremberg Trials where the same 5 Supremes Hired all the Prime Heinous Suspects for their own Genocide and War Crime Projects, and those Heinous Suspects who
didn't have the expertise but could implicate one or more of the Supremes with Aiding & Abetting... (ie. Hitler-Mengele (US & UK) Well, they had a splendid paid retirement
in some South American Paradise... And some irrelevant Lapdogs took their punishment. Now, with the ICJ, they rule a Plausible Genocide that's absolutely confirmed
every worse day after day in Horrific Genocide Action Screenshots, and here we are 9 months closer to Genocide accomplice and not one fucking action to stop the slaughter
that gets exponentially worse every day has happened, and worse, every day it appears exponentially less likely that any remedy will happen. Anyone with one functional
brain and heart cell has to conclude the UN and its ICJ are Useless Wasters of Existence. Since the UN is the one International Body with near Universal Jurisdiction, it would
probably behave us all to try to tweak it into usability before the Atomic Plasm Eats the Atmosphere. 1. Ditch Supremes 2. Rulings Need To Be Like Supreme Court, Actionable
(not advisory), Changeable (not easily) 3. Each Case will Draft a New Court (Each UN Member will have a Standby Jurist) 4. Selection will be a round robin thing except - No
Affiliation with either Plaintiff nor Defendant. 5. Judgments Need 2/3 Vote. 6. Security Council will be like a Sheriff Issuing Summons & Enforcing Judgments, 7. Open Application
to any Oppressed Group (like Donbas Citizens); Seize & Publicize All Mossad Records to determine Zionazi Terrorist, Influence, Spying, Child-Trafficking/Sacrifice, & Blackmail
Operations; Ask Hamas to seal any Escape Tunnels; Transfer Gazan Population to former israel cities, towns & villages, Accommodate them in former Settler Housing;
Rename Gaza 'Strip' to 'Prison', ReArm the Security Forces; Transfer the Non-Objecting Genocide-Enthusiast israel population into Gaza Prison; Border Crossings Will Remain
Open for Humanitarian Aid, however, due to israel's exterminations of Aid To Gazan Workers, they may have to rely on Koshler Leg O' Man or Circumcised Penis Dogs in Ass Crack
Buns... Design & Implement an AI Query against the Internet and Social Media to identify any Individuals, Governments and Individuals within, and/or Corporations and Individuals
within, Guilty of Aiding & Abetting the Palestinian Genocide and/or whose rhetoric Rises to Incitement to commit said Acts of Genocide, and Confiscate All their Assets into Pale-
stine Trust, and Extradite them to Gaza Prison...

Isaac: You're that totally sick and depraved demon who exterminated all the Animals and most of
my ancestors except Noah & family who killed and ate Animals against the Creation Covenant,
and you replaced those Good Animals with deranged animals who killed and ate each other and
gentle vegan animals, and you did a bunch of crazy ass shit like condemning Ham to a life
of slavery and his son Canaan and his descendant Canaanites to lives of despair and revulsion
and eventual genocide by my descendant Hebrews... for what Mortal Sin? For Ham Seeing Noah
in a Drunken Naked Stupor! I think you did and will do all this for your seriously Perverse Demonic
Entertainment... It certainly wasn't a line item in your Noahide Laws or your evil Rainbow Covenant.
I promised my senile Dad if he even thought about throwing me in your Human Sacrifice Scheme

him from our family memoirs or portray him as a Crazy Fool for Evil. (Isaac lived the rest of his life
in Peace with his cousin Canaanites...and he never had his name changed which meant you were
under demonic control ie Abram > Abraham)
